

In Response to COVID-19

In response to the recent COVID-19 coronavirus outbreak in our state, and the suggested social distancing by the CDC, all MAIN Libraries have implemented the following policies to make sure that our patrons can take advantage of our library services while remaining safe and worry-free:

FINE FREE UNTIL SEPTEMBER 8th

MAIN Libraries will be fine-free until September 8th.

CHECK OUT UP TO 10 eAUDIO / eBOOK ITEMS

Now through September 8th, all MAIN member library patrons will be able to check out up to 10 eAudio / eBook items in cloudLibrary instead of the customary three. This service is available remotely 24/7. Through at least 9/8, your current fine balance or library card expiration date will not affect this service.

The cloudLibrary app is available for the following devices:

- On your Apple iOS device, download on the App Store
- On your Android device, get it on Google Play
- For your PC, it is available on Windows
- On a Mac, it is available for Mac OS
- Available for your fire device
- Download it to your nook
- Available in the Chrome web store

STATEWIDE DELIVERY SYSTEM SUSPENDED

The Statewide delivery system suspended operations on 3/17. Library items at other MAIN libraries can be reserved, but must be picked up at that location.

ITEMS ON HOLD

If you are waiting for an item on hold, you will not lose your spot in line. Everything is simply being frozen for the time being.

We appreciate your patience, understanding, and continued support of our public libraries during this unprecedented time. We will continue to update you as the situation evolves, or if anything changes. Please check our website or social media for updates.

Our best wishes to you and your families.
